Com. VVSR Sarma the eloquent President of the Federation was highly critical of the IBA as well as the Govt. in his speech. He vehemently disagreed with the view that the banks are incurring losses for which better wages could not be given to bank employees, where as the net losses incurred were only due to the huge amounts of provision mandatorily made for the accumulating NPAs. He said that our bank also had been reeling under

the burden of ten thousand crores of NPAs which were only due to high corporate houses. However, he expressed his immense faith in the fighting spirit of our militant members and hoped for a reasonable wage pact sooner than later.
